

# CURRICULUM VITAE

## CONTACT INFORMATION

Name : Anis Karuniawati, MD., PhD., Clinical Microbiologist  
Address : Jl. Puloasem Utara X no. 16A, Jakarta  
Telephone : 021-4722747  
Cell Phone : 0811935207  
Email : [akaruniawati@yahoo.com](mailto:akaruniawati@yahoo.com)

## PERSONAL INFORMATION

Date of Birth : 17 September 1965  
Place of Birth : Kediri, East Java  
Citizenship : Indonesian  
Sex : Female  
Marital Status : Married  
Spouse's Name : Onny Relapoetra Wibawa  
Children : Faradila Keiko  
Farhanif Fauzanputra  
Fariz Arsaputra

## EDUCATION

1990 : Medical Doctor at Faculty of Medicine, University of Indonesia  
2001 : Doktor der Agrarwissenschaften (Dr. sc. agr., equivalent to the Ph.D degree)  
at Institut fuer Umwelt- und Tierhygiene sowie Tiermedizin und Tierklinik,  
Universitaet Hohenheim, Stuttgart, Germany  
Dissertation : Untersuchungen von Umweltproben auf '*viable but not culturable*' Salmonellen und enterohaemorrhagische *Escherichia coli*' (EHEC).  
Scholarship from Deutscher Akademischer Austauschdienst (DAAD)  
2001 : Spesialis Mikrobiologi Klinik (Clinical Microbiologist), certified by  
Indonesian Society for Clinical Microbiology

## EMPLOYMENT HISTORY

### Work History

1991-present Lecturer, Researcher in the Department of Microbiology, Faculty of Medicine,  
University of Indonesia  
2003 – 2008 Secretary of Clinical Microbiologist Study Program, Faculty of Medicine,  
University of Indonesia  
2004 – present Head of PAMKI (Perhimpunan Ahli Mikrobiologi Klinik Indonesia) branch  
Jakarta  
2005 - 2008 Assistant Manager of Public Services, Faculty of Medicine, UI

2005 – 2008	Coordinator of Administration and Finance, Department of Microbiology, Faculty of Medicine, University of Indonesia
2008 – present	Head of Department of Microbiology, Faculty of Medicine, University of Indonesia
2009 - present	Member of PPRA (Program Pengendali Resistensi Antibiotik) Team, Cipto Mangunkusumo Hospital, Jakarta

#### **Training and other experiences**

09/91 – 10/91	WHO Course in Immunology, Vaccinology and Biotechnology Applied to Infectious Diseases, WHO Research and Training Centre, Geneva, Switzerland. Fellowship from WHO-Geneva
10/92 – 04/93	Research in Institute of Anaerobic Bacteriology, Gifu University, School of Medicine, Gifu, Japan. Fellowship from JSPS
08/95 – 01/96	Course in German Language at Goethe Institute, Jakarta. Certificate: ZDaF. Fellowship from DIKTI-Depdikbud
04/96 – 09/96	Course in German Language at Goethe Institute, Freiburg, Germany. Certificate: PNDS. Fellowship from DAAD
03/04 – 03/05	Consultant in Microbiology in Laboratorium Kesehatan DKI, Jl. Rawasari Selatan 1, Jakarta
2005	Contributor : Tim Penyusun Pedoman Pemeriksaan Mikrobiologi Untuk Pencegahan Infeksi di Sarana Kesehatan. Depkes RI, Dirjen Pelayanan Medik, Jakarta
06/06	Participant in ‘Pelatihan Staf Pengajar untuk Pelaksanaan Kurfak FKUI 2005’, held in Jakarta by Medical Education Unit, FKUI
04/07	Member of ‘Tim Rekan Setara Internal dalam rangka kegiatan Penilaian Proposal Riset Unggulan Universitas Indonesia 2007’
09/07	Chairman of ‘Family Day FKUI-2007’
09/07	Participant in Awareness Training on ISO 15189:2007 lectured by DR. Panadda Silva Department of Medical Science (DMSc)-Thailand, held in Jakarta 3 September 2007, by Komite Akreditasi Nasional (KAN)
09/07	Participant in ISO 15189:2007 Medical Laboratory Assessor Training Course, held in Jakarta 3-5 September 2007, by Komite Akreditasi Nasional (KAN)
05/08	Participant in Bacteriology Proficiency Educational Course, held in Jakarta 29-31 May 2008 by Dep.Microbiology FMUI, CME/PD in collaboration with bioMerieux Education
11/09	Course in Healthy Living, held by Erasmus MC, Rotterdam-Netherland
11/09	Participating in The Indonesian-Netherlands Open Science Meeting: Science, Innovation and Valorisation Bridging The Gap Between Science, Market and Society
2/12	Participating in Improving Influenza Laboratory Management Practices Training Course, held by APHL (Association of Public Health Laboratory), CDC Atlanta, and NIH Thailand

## **AWARDS**

Best academic staff of Faculty of Medicine, University of Indonesia, 2008

## **PUBLICATIONS**
